

TASK FORCES

Tobacco Free Lancaster County

About the TFLC Coalition

3 Task Forces:

- Business School Campus Policy Task Force
- Smoke-Free Multi-Unit Housing Task Force
- Youth Tobacco Prevention Task Force

The Tobacco Free Lancaster County (TFLC) coalition consists of 28 community partner agencies and several individuals. Our purpose is protecting the public by eliminating exposure to secondhand smoke, preventing youth from starting to use tobacco, providing tobacco education to all populations, and encouraging people to quit.

Business School Campus Policy Task Force

The purpose of the task force is to provide businesses, organizations and schools with the information and technical assistance needed to establish tobacco-free campus policies.
